Strengths of Website:-

- 1. Customer-oriented design and address:-** Website is very functional with no broken links or any type of errors. This makes website easy to navigate.
 - 2. Relevant content:-** Even though website has low content it is very relevant to its business.
 - 3. Intuitive navigation and search:-** Navigation of the website is very easy hence any new person can get concerned information very easily.
 - 4. Responsive design:-** Website is very responsive and loads easily to on any device. This helps to access the website from any device.
- 
- Three decorative white lines of varying lengths and slopes are positioned in the bottom right corner of the slide, extending from the right edge towards the center.

Weakness of Website

1. Meta Description:- Meta description is not optimized. Its too short with no keywords. This is causing website to rank badly.

Solution :- The Meta description of a website should contain Keyword query which will help website rank well. The ideal meta description should be “ Trivisen provides a smart and innovative water purification solutions along with consultancy services for start-ups” .

2. Missing H1 Tags on majority of pages

3. Lack of content :- Website has very low number of articles which is hampering its ranking. There should be more number of articles about latest technologies for water purification and also Start-up related articles. This will help Trivisen to attract more leads and convert them to customers. The articles should be more informative and relevant to latest topics which will even help website to rank more well.

Questions for Client :-

1. What are Your Main Goals and KPIs?
 2. Who is Your Ideal Customer?
 3. Which Countries are You Targeting?
 4. What Is Your Main USP?
 5. Have You Ever Had a Google Penalty?
 6. Who Do You Consider to be Your Main Competitors?
 7. Do You Own Any Other Domains or Subdomains?
 8. Are There Any Plans for a Website Redesign?
 9. Do you Have Any Brand Guidelines?
 10. Do You Have a Specific Writing Style You'd Like?
 11. Do You Have Any Partners Who Would be Willing to Link to Your Website?
